

Dear Dana Open Sponsor,

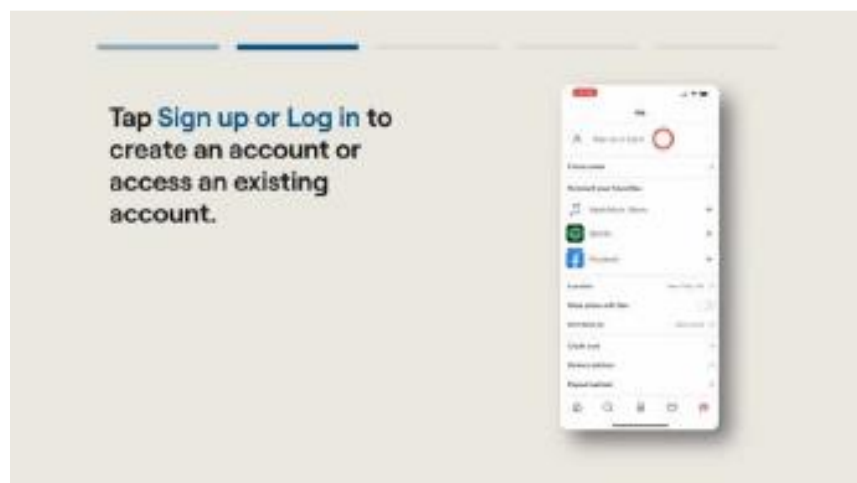

New to the 2024 tournament, The LPGA & Dana Open have partnered with SeatGeek to offer a digital ticketing platform. This platform allows tickets to be delivered digitally and may be accessed and managed via Account Manager on your mobile device or computer.

The following instructions will guide you through logging into your account and managing your tickets. All tickets and parking passes will be shared digitally to the email address that was provided on the agreement.

To receive your tickets – please follow the following three steps:

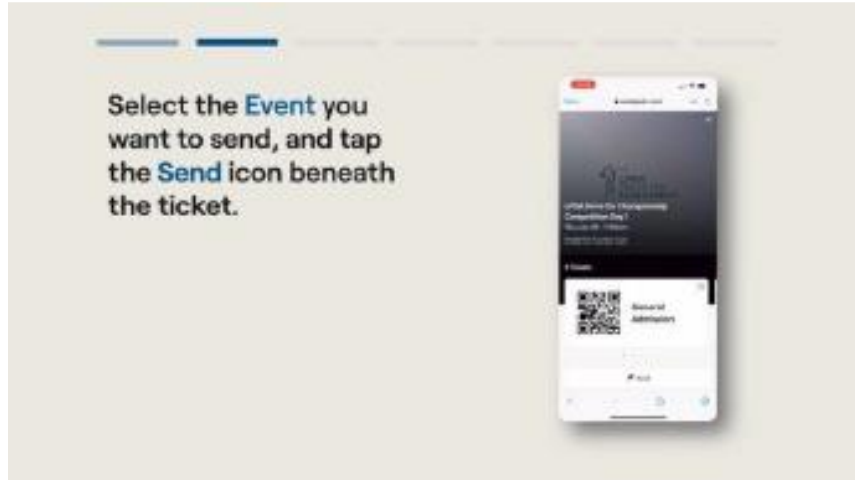

1. Register for a SeatGeek account using the email address provided to the tournament team. You can register by clicking [HERE](#). If you already have a SeatGeek account with that email address, you can skip this step.
2. Once you have an account, please link it to the LPGA SeatGeek portal by clicking [HERE](#).
 - a. Please note that only you as the account manager will need to complete this step; your guests will not.
